

# MISSIONS UPDATE

## Thanks For Praying

- We made it to Chicago and got Mily's paperwork done at the Argentine Consulate.

## Remember Us.

- Please pray for our upcoming opportunities to present at other churches
- Pray for safe travel as Cody will be taking a scout trip to Córdoba this month.
- Pray for other churches and individuals to partner with us.

## Culture Corner

Did you know...

- On July 9, 1816, the United Provinces of the River Plate declared their independence from Spain. Those provinces today include Argentina, Uruguay and part of Bolivia.

## Perfect Attendance...

I don't know if any of you had perfect attendance in School, if you can remember back that far, but so far for the month of January we have been in town on Saturdays and either Mily or I have been able to participate in our church's evangelism outreach. While the fruits of evangelism may not always be immediate, undoubtedly God blesses with fruit when we are obedient to the command to go. We praise God that we have been able to give the gospel message to numerous families each Saturday this year and as a result have seen three professions of faith!

So why is that so important? That is exactly how we plan to start a church when we get to Argentina. Our first job when we get there will be evangelizing and creating contacts to build a base of people that can be discipled. A church can't make disciples if it has no converts to teach and train about how to follow Jesus.

In the meantime we will continue with deputation. Please pray for Cody's scout trip to Córdoba. He will leave February 16 and stay in Argentina for two weeks. Pray that God will lead us to the area of the city that he wants us to focus on. He will also be looking for potential places where the family might be able to live when the time comes to move everybody down there.

That does not diminish our resolve to raise monthly support that would allow a new church plant to operate and grow in Argentina. Remember our target date to leave is end of next summer! It will be here before you know it!! Don't forget to share our newsletter with anyone you think might be interested in missions. Remember, out there somewhere are people who want to get the Gospel to Argentina and you could be the way God connects them to us.
