

MISSIONS UPDATE

"I don't want to do what is easy! I want to see GOD do the impossible, so let's get to Work!" - Pastor Kevin Wynne

Thanks For Praying

- Thank you again for your prayers for all our travels in and out of the U.S. God has blessed us on each trip.

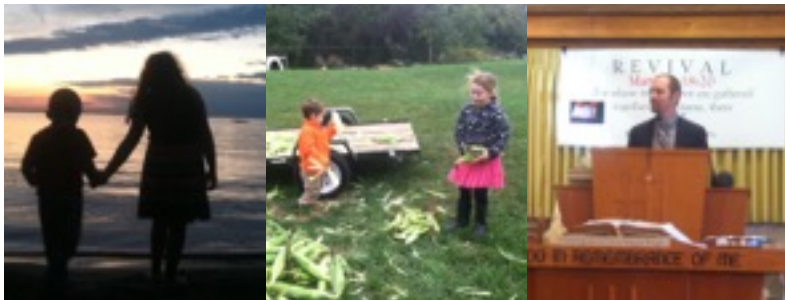

Remember Us.

- Please pray for God to lead us to the right contacts quickly.
- Pray for God's provision for Cody's and the kid's permanent visas. The total cost for all three will only be \$1200 and we can do all the paperwork before leaving!
- Continue to pray for housing and a vehicle when we get to Argentina.

Culture Corner

Did you know...

- The National Sport of Argentina is "Pato" which translates "Duck". While Football (Soccer) might be more popular, the official national sport is "Duck" (Pato), which is played on horseback and involves a real duck inside a leather bag!!

It "Just So Happens" God is Still in Control...

The greatest contacts we have had during deputation have come from the places we least expected. September found us once again in upstate NY first at Friendship Baptist Church in Rome (New York). We got connected with them last June because a church member "just so happened" to be in Lancaster, NY for a wedding and found a good Bible-preaching church on the internet. I "just so happened" to be preaching at that church - First Bible Baptist Church - the same day they were in town. After the service he gave me his home church's contact info and a few weeks later we were on the list to present at their mission's conference in Rome (New York). The conference was great and we even had opportunities to go out on visitation and soul winning twice during the week. In the following weeks I was given opportunities to preach at Cornerstone Baptist Church in Auburn, NY and at Solid Rock Missionary Baptist Church in Port Byron, NY.

I am very grateful to other churches in the area that gave us the opportunity to visit them, worship with them, and even present our ministry. Special thanks to Freedom Baptist Church in Auburn, NY and Amazing Grace Baptist Church in Oriskany Falls, NY for granting us the opportunity to share our hearts and to fellowship with them.

We have also been careful to look for opportunities to go out soul winning as often as possible. I went out on Saturday visitation with a group from Freedom Baptist Church and found Derek at home. After he discovered that we were not his parol officers coming to check on him, he was gracious enough to talk to us and listen to the whole gospel message, after which he bowed his head and asked Jesus for the gift of eternal life! Pray he will connect with their church through discipleship!

Thank you for allowing us to continue this journey to Argentina We could not do this without your prayers!
